Academy Awards

This year, we held our first ever academy awards ceremony at Sheffield City Hall. Performers from Years 7 to 13 collaborated to put together breath-taking performances for a sold out audience of over 2000 people. We also took the opportunity to award students for their attendance, attainment and progress in all subjects, with celebrity guests handing out over 400 awards.

This will now become an annual event that we will strive to make bigger and better each and every year.

Movement Evening

Movement Evening is our annual dance show, which takes place in February. It is definitely one of the highlights of our school calendar. This is a chance for all students to showcase their talents and be involved in dance performances (whether they study dance or not).

We have acts from all different genres and styles including kamikaze, street, break, contemporary and musical theatre, meaning there really is something for everyone. There are three sell-out shows, which means students perform to an audience of over 900 people across the three nights. Every year we have a different theme - this year was 'Love Is In The Air' and students danced to a variety of songs around the theme of love and heartbreak.

Everyone is welcome to get involved in Movement Evening; our sixth form enrichment dance is always a highlight.
