PROGRAMME 2023

# Welcome to the 2023 Wath Academy Awards Ceremony

We are delighted to be hosting our second awards ceremony of its kind. The evening is to recognise the achievements of our students and show how incredibly proud we are of them.

## A Message from the Principal

Welcome to our second Academy Awards. We are delighted to have secured the historic Sheffield City Hall yet again to celebrate the achievements of our students.

Wath Academy is a truly special place where everybody is valued, we are extremely ambitious and have the highest expectations of ourselves. Here at the academy we are passionate about providing the best possible education which provides first rate qualifications but also develops exceptional character and responsible citizens.

The academy has made huge strides over the past three years and we are proud of what we have achieved so far but we remain absolutely committed to delivering on our vision for the benefit of our local community.

Tonight will be a spectacular night with over 350 award winners as well as 13 student acts appearing on stage. Our vision includes our desire to deliver 'exceptional learning experiences', whilst a crucial part of our curriculum intent is for 'all students to gain an array of positive school memories'.

This event promises to deliver on both of those key aspects. We are excited to showcase the exceptional talent that we have at the academy as well as awarding students for their significant efforts throughout the year.

I truly hope you enjoy the event.

Thank you for your continued support.

Mr L Ransome  
Principal

## Your Host this Evening

Your host this evening is Mr C Shaw who is one of our Assistant Principals.

Mr Shaw attended Wath Academy as a student between 1996 and 2003 and continued on to further education at Sheffield University between 2003 and 2006 studying Law and Criminology; then returned to Wath as a Pastoral Year Leader. Mr Shaw later went on to become the Head of 6th Form leading the academy to its best ever KS5 results. Mr Shaw is now an Assistant Principal responsible for Personal Development and KS3 curriculum and assessment.

# VOX

## Performance One

### You Raise Me Up

Please welcome to the stage Vox, the 20 strong piece school choir who will open tonight's celebrations with an emotional arrangement of 'You Raise Me Up' by Brendan Graham and Rolf Loyland. This song has been recorded by more than 100 different artists, most famously in 2005 by the boy band Westlife. Vox consists of students across all year groups and staff. We hope that you enjoy this moving arrangement by Christopher Hussey.

### Introduction

Mr C Shaw, Assistant Principal

### Welcoming Speeches

Mr L Ransome, Principal

## Performance Two

### Fly Me To The Moon

Prepare for a nostalgic trip back to the day of Mr Blue Eyes himself. Jake, a Year 11 Drama student, will perform a fantastic rendition of the Frank Sinatra classic 'Fly Me To The Moon', originally recorded in 1964. Jake will be joined on stage by the talented Chloe and Sophie. This is a wonderful performance that will not go unnoticed.

### Attendance Awards - Years 7,8 and 9

These awards are for students in Year 7, 8 and 9 who have demonstrated exceptional resilience and maintained a perfect attendance record for the entire school year.

## Performance Three Just An Innocent Looking Muffin...

And now for something a bit different: a comedy sketch provided by Jonny and Ruby. Both are part of the wealth of up-and-coming stars that we have in the Drama department. Stand-up doesn't come easy, and when all you have as a prop is just an innocent looking muffin... Good luck to them both – after all, the proof is in the pudding.

### Attendance Awards – Years 10, 11, 12 and 13

These awards are for students in Years 10, 11, 12 and 13 who have demonstrated exceptional resilience and maintained a perfect attendance record for the entire school year.

## Performance Four Smells Like Teen Spirit

Year 11 students, Aaron, Alex, Izzy and Jake bring some early 90s Grunge nostalgia back to the stage with their truly awesome rendition of a Nirvana classic from the band's iconic album Nevermind, which was released in 1991. 'Smells Like Teen Spirit' was included in the Rock and Roll Hall of Fame's list of The Songs That Shaped Rock and Roll. We are sure that you will not be left disappointed following this high-energy cover of the Nirvana classic.

### Attendance Awards – 100% Lifetime Attendance

The 100% Lifetime Attendance awards recognise the resilience and perseverance shown by a number of students. During their time at Wath Academy, these students have never had a days absence.

## Performance Five

### Never Enough

Welcome Jack, Year 8, and Abbie, Year 9, in a uniquely beautiful choreographed recital of Ludwig Van Beethoven's piece, Fur Elise. It is believed this was composed by Beethoven for a lady of whom he was in love with and wished to marry.

Sadly for Beethoven this was not replicated by his inspiration for the piece. Both students have been involved in various productions this year at the academy, and we cannot wait for you to see them perform tonight.

### Subject Awards

These awards recognise exceptional progress and achievement in each subject area. Students receiving awards have been nominated by their teachers for their hard work, determination and ability.

## Performance Six

### Wishing You Were Somehow Here Again

Emily will be joined by Josh tonight in her performance of 'Wishing You Were Somehow here Again' taken from Andrew Lloyd Webber's 1986 classic based upon the 1910 novel The Phantom of the Opera by Gaston Leroux. Tonight, Emily will be joined on stage with additional supporting choreography provided by Josh. Emily, who has just completed her A Levels, will be continuing her study of music at Leeds Conservatoire next year. Please prepare yourself for a truly enchanting performance.

### Interval

Announcements will be given prior to the start of the second half of the ceremony.

## Performance Seven

### I Just Can't Wait To Be King

Please welcome on stage "To Be King" performing wonderful choreography, in the style of musical theatre, to 'I Just Can't Wait to be King'. The piece was made famous as part of the Disney classic The Lion King. This is a truly heart-warming interpretation of the classic, which we are sure that you will enjoy.

#### Subject Awards

These awards recognise exceptional progress and achievement in each subject area. Students receiving awards have been nominated by their teachers for their hard work, determination and ability.

## Performance Eight

### Solo Dance

Josh is our most talented male dancer. He has successfully gained a place at the prestigious D&B Academy of Performing Arts, which we are immensely proud of. Josh's work ethic is truly outstanding and absolutely proves what can be achieved through having natural talent accompanied by hard work. Enjoy this truly engaging dance piece.

#### Wider Curriculum Awards

These awards are given to students to celebrate achievements beyond the classroom and within our wider curriculum. We commend our students for their commitment and dedication.

**Award presenters** – Dr Claire Neilson (GFG Foundation) and Heather Honeyman (Bauer Equipment UK Ltd)

## Performance Nine Sweet Dreams (Are Made Of This)

Amelia, Abigail and Alicia are no strangers to the stage here at City Hall following their performance of the epic theme to the award-winning HBO TV drama Game of Thrones at the 2022 Academy Awards. Since last year, they have expanded the group with the addition of Daniel playing the cello and Sienna on the drums. They have created a fantastic arrangement of 'Sweet Dreams (Are Made of This)' originally performed by Eurhythmics in 1983. This is an interesting classical twist on a pop classic! Enjoy.

### Academic and Pastoral Year Leader Awards

Students receiving these awards are being recognised by their Academic and Pastoral Year Leaders for their excellent contribution to life at Wath Academy. These students are role models for their peers and are a credit to the academy.

## Performance Ten There She Goes

Please welcome our theatre-style production from the hit musical Fame. This very talented group of students will leave you gasping for air following their truly amazing and athletic interpretation of 'There She Goes'. This piece showcases the depth of talent that is available at the academy and is a fantastic advert for the entire Performing Arts Faculty.

### House Awards

Students have been selected for this award due to their commitment to their House; they have entered multiple competitions and have promoted participation amongst their peers. This award recognises their significant contribution to the House system.
