# WATH ACADEMY **AWARDS**

**PROGRAMME 2024**

# Welcome to the 2024 Wath Academy Awards Ceremony

We are delighted to be hosting our third awards ceremony of its kind. The evening is to recognise the achievements of our students and show how incredibly proud we are of them.

## A Message from the Principal

Welcome to our third Academy Awards. We are delighted to have secured the historic Sheffield City Hall yet again to celebrate the achievements of our students.

Wath Academy is a truly special place where everybody is valued, we are extremely ambitious and have the highest expectations of ourselves. Here at the Academy we are passionate about providing the best possible education which provides first rate qualifications but also develops exceptional character and responsible citizens.

The Academy has made huge strides over the past four years and we are proud of what we have achieved so far but we remain absolutely committed to delivering on our vision for the benefit of our local community.

Tonight will be a spectacular night with over 350 award winners as well as 12 student acts appearing on stage. Our vision includes our desire to deliver 'exceptional learning experiences', whilst a crucial part of our curriculum intent is for 'all students to gain an array of positive school memories'.

This event promises to deliver on both of those key aspects. We are excited to showcase the exceptional talent that we have at the Academy as well as awarding students for their significant efforts throughout the year.

I truly hope you enjoy the event.

Thank you for your continued support.

Mr L Ransome  
Principal

## Your Host this Evening

Your host this evening is Mr C Shaw who is one of our Assistant Principals.

Mr Shaw attended Wath Academy as a student between 1996 and 2003 and continued on to further education at Sheffield University between 2003 and 2006 studying Law and Criminology; then returned to Wath as a Pastoral Year Leader. Mr Shaw later went on to become the Head of 6th Form leading the Academy to its best ever KS5 results. Mr Shaw is now an Assistant Principal responsible for Personal Development and KS3 curriculum and assessment.

### Alicia - I Dreamed A Dream

I Dreamed A Dream is a powerful and emotionally charged song taken from the musical Les Misérables. The song has become one of the most well-recognised pieces from the musical due to its haunting melody and poignant lyrics. The character Fantine reflects on her past hopes and aspirations, contrasting them with her current reality of poverty and hardship. It has been performed by countless talented actresses in London's West End and in the iconic 2012 film adaptation, leaving a lasting impact on audiences worldwide. Tonight, we would like you to welcome Alicia Lines on stage, providing her own heart-wrenching performance of this iconic musical classic.

## Performance Five

### Ostinato – Roxanne

Ostinato is a group made up of our very talented instrumentals Daniel Redfern, Abigail Germany, Jack Zhu, Linda Zhu and Isobel Robertson.

Tonight, they will be performing their own arrangement of the Police classic Roxanne. This song was composed by lead singer Sting and released as a single on 7th April 1979, peaking in the UK charts at Number 12. The song was also used in the film Moulin Rouge! in 2001 under the title El Tango de Roxanne and tonight's performance is influenced by this. Be prepared to be amazed by the instrumental talent of our student performers.

### Subject Awards

These awards recognise exceptional progress and achievement in each subject area. Students receiving awards have been nominated by their teachers for their hard work, determination and ability.

## Performance Six

### Oliver – Pick A Pocket Or Two

At Christmas, Wath Academy students from Years 7 to 12 performed the musical Oliver! over three nights to sellout audiences. It was considered a remarkable success by all who came to watch the show, which truly celebrates the depth of performers that Wath has within all subjects in Performing Arts. In the excerpt, Fagin teaches the young pickpockets the art of stealing and surviving on the streets in London in the period. It highlights Fagin's character and adds a touch of humour to the musical, making it a favourite among audiences of all ages.

Tonight, we welcome members of the Wath cast back for another rendition of this lively and mischievous song.

### Interval

Announcements will be given prior to the start of the second half of the ceremony.

Wath Warriors Stunt Team

- Beyoncé Medley

Please welcome on stage our stunt cheer team Wath Warriors. Tonight, they will be performing their energetic choreography to a Beyoncé medley, which they showcased recently at the UK Cheerleading Association's National Championships. They performed in front of over 2,000 people and achieved 2nd place, which is an incredible achievement at national level.

### Subject Awards

These awards recognise exceptional progress and achievement in each subject area. Students receiving awards have been nominated by their teachers for their hard work, determination and ability.

## Performance Eight

Hamilton - Satisfied

Satisfied is a song taken from the critically acclaimed musical Hamilton, written by Lin-Manuel Miranda. The musical tells the tale of the life of Alexander Hamilton, one of the founding fathers of the United States of America. In this song, the character Angelica reflects on her love for Hamilton, who has chosen to marry her sister Eliza instead. Tonight, our students Allana Kennedy, Jonny Farmer and Lily Bamford portray these conflicting emotions in an intricate wordplay showcasing fast-paced rap sections, supported by backing dancers. They recapture the unique musical style that contributed to the musical's widespread praise and success.

### Wider Curriculum Awards

These awards are given to students to celebrate achievements beyond the classroom and within our wider curriculum. We commend our students for their commitment and dedication.

## Performance Ten

### Sienna - What I Hear Is What I See

Tonight, Sienna Thorpe will be performing What I Hear Is What I See. This piece of music was composed by Sienna as part of her coursework for her A Level Music qualification. Sienna is a very talented young lady who can play drums and guitar as well as an accomplished pianist and singer. Sienna created this heartfelt piece to express her feelings of the world from the perspective of somebody who is unable to see. The composition is a very emotional and beautiful capturing Sienna's feelings.

Sienna is excited to embrace the opportunity of continuing studying music at the University of Huddersfield.

### Skyfall

Skyfall is a powerful and captivating song by Adele. It was composed as the theme song for the James Bond blockbuster of the same name. Tonight, this mesmerizing track will highlight the incredible range and technical ability of our Grade 8 and A Level violinist Abigail Germany, coupled with our outstanding Year 8 vocalist Abigail Hammond. The haunting and evocative melodies and lyrics – supported by elegant choreography from Abbie Poulton, Maya Sudiarta, Serine Laouini and Amelie Henthorn – will take you through the themes and emotions of resilience and redemption. This stunning staging by our exceptionally talented performers provides a timeless rendition of a masterpiece.

## Performance Twelve

### Six

Six, an acclaimed musical performed in London's West End, breaks the mould of the traditional narrative of history by giving a voice to the often-misrepresented wives of Henry VIII. It explores themes of female empowerment, sisterhood and the reclaiming of their own individual stories. The show is a celebration of these historical figures and their resilience in the face of adversity.

Please welcome Amelie Henthorn, Eadie Schofield, Olivia Sayles, Evie Grantham, Sophie Kay and Chloe Kay in their energetic and fun performance of the final song, also called "Six", from this modern adaptation of a much-remembered historical period.
