

Wath Academy

Our ref: RGI/PSR/KPA

1 March 2022

Dear Parent / Carer

Congratulations on securing a place at Wath Academy!

I am delighted that your child has been offered a place at Wath Academy from September 2022.

During the next few months, a representative from the academy will visit your child at their primary school to share important information about our academy and how best to prepare for joining us in September.

You will have received your letter offering you a place with us from the Admissions Department at the Local Authority. The transition from primary to secondary school is an exciting time and students (and parents!) can have lots of questions and queries about the move. Over the coming months, there will be several events to help students have a successful transition from their primary school to Wath Academy. In May, you will receive a Year 6 Induction Pack which will provide you and your child with all the information needed for a successful transition.

Please enjoy the Welcome and Activities pack included in the golden envelope. This can also be found on the Wath Academy website, www.wathacademy.com/nationalofferday22. Please encourage your child to work through the activities and enter the competitions. We also have an extra competition where if you upload a photo or video of your child opening their envelope you will be entered into a free prize draw!! Please include your child's name and which primary school they attend on the email. All competition entries should be emailed to y6transition@wathacademy.com.

Data Collection Form

This form is our primary source of information. It is **essential** that this form is filled out carefully; without it your child's details cannot be added to the academy roll. Please use the QR code below to access the form or alternatively the form can be found by visiting, www.wathacademy.com/nationalofferday22. Please read all of the information carefully and if you have any questions, do not hesitate to contact the school.

More information will follow regarding the Induction days and Year 6 Parents' evening expected to take place in the Summer term. The Induction days will ensure students have time to familiarise themselves with the building, academy procedures and experience lessons across the wide range of subjects they will be studying. The Parents' evening will be an opportunity to meet your child's tutor, Academic and Pastoral Year Leader and the Senior Leadership Team.

Yours sincerely

Mrs R Gillatt
Associate Assistant Vice Principal
Y6-Y7 Transition Lead

Mr P Senior
KS3 Manager
