

Wath Academy

24 June 2020

Dear Parent / Carer

Increased 'live' teaching offer for Y12 students

I hope this letter finds you and your families safe and well. We would like to thank you for your continued support and patience during these challenging times. I would like to share with you our intended plans to increase our live teaching offer.

Live lessons through Microsoft Teams

In addition to students being set work through the Show My Homework app (Satchel One), from the week commencing 29 June, we will be increasing the amount of **'online live' lessons** for all Y12 students through Microsoft Teams. These lessons will follow the student's normal timetable and, for every subject they study, students will have **two** dedicated 'online live' lesson with their current teacher. Your child's Tutor will also continue to deliver 'online live' Votes for Schools lessons twice a week. The exact time and day of the live lessons will be communicated to students through the Show My Homework app and within their Microsoft Teams calendar.

Yours sincerely

J Taylor
