PRINCIPAL'S UPDATE

Y11 and 13 Update

Today marks the final exam for the majority of our Y11 students. The past few weeks have been tough but as a year group they have responded incredibly well. We understand how tough this period of time is for them and we are very proud of the resilience, hard work and commitment they have shown. We are now looking forward to celebrating with them at the Prom.

Like Y11, most of Y13 have now finished their exams. We are very proud of how they conducted themselves through the last few weeks and we are sure that their hard work will have paid off. We are now looking forward to the Y13 Summer Ball.

Staff Car Park

Over recent weeks we have noticed that more parents/carers are using the staff car park to drop off/collect students. If you drop your child off at the Academy, you can do so in the bus turning circle, not the staff car park, from 8.00 am until 8.20 am. There are safe drop off points around school such as Festival Road and the Wath Leisure Centre car park.

If you need to pick your child up at the end of the day, please do not use the staff car park as the school gates will be locked to allow students to leave the school site safely.

If you do need to use the car park to access the disabled parking bays, a valid disabled badge should be clearly displayed. We require access to these bays at all times, for our families with children.

If you have to collect your child during the school day, please be mindful of where you park your vehicle. Do not block the crossing and again only use the disabled bays if you have a valid disabled badge clearly displayed.

Yours sincerely

Mr Ransome
