PRINCIPAL'S UPDATE

NEWSLETTER – Week 7

Dear Parents/Carers

Success Stories

As we have done for the past two years, we would like to share students' success stories and achievements in this newsletter each week.

If you would like to share your success stories with us, please email us via the following address: achievement@wathacademy.com

This week we celebrate Harry Marshall in Y9. Harry plays Ice Hockey for the Leeds Knights; last season they came first in the A League and they went on to win the National Championship. Harry has played in multiple tournaments abroad including in Quebec, Canada where he represented England, coming second.

Harry will also be trialling for the GB team as well as taking part in tournaments in Finland, Latvia and Spain. To perform at such a high standard takes an awful lot of commitment and determination. Well done, Harry, we are very proud of you.

Thank you once again for your continued support of the Academy.

Yours faithfully

Mr Ransome
Principal

BeWell@Work – Gold Award

The BeWell@Work Award is a framework for businesses to work towards, building good practices in workplace health and wellbeing. Gaining this award at the gold level sets Wath Academy apart as an employer of choice when it comes to supporting employee health and wellbeing.

Gold Assessor feedback:

Wath Academy without doubt are a school of choice. The feeling I get each time I go there is of great togetherness and support for each other. The work that has been done over the past couple of years is excellent. It is clear wellbeing is very much embedded and this now feels as if it is something that is a natural thing to be doing every day. In the focus groups the staff were very positive and complimentary about the culture and support.

We are very proud of this award and feel the feedback exemplifies the culture we are trying to create at the Academy.

Sixth Form Cabaret

Last night we hosted our annual Sixth Form Cabaret evening. It was an excellent show with over 20 acts! The student performances were of a fantastic standard. We are very lucky to have such talented students as well as a dedicated Performing Arts team.

Follow us on Facebook/Instagram/Twitter @WathAcademy to see more images from last night's performance.

Wath Academy Sixth Form Open Evening

On Tuesday 7 November, we will be welcoming prospective Y12 students for our Sixth Form Open Evening. The event will give students the opportunity to explore different subjects and ask questions of key Sixth Form leaders.

We have already opened applications for September 2024.

Remembrance

Each year we place 39 poppies on the school railings to remember the Old Wathonians who lost their lives serving their country in World War II. We have also placed a banner on the railings that lists the names of the former students. Wath Academy will never forget the sacrifices they made for our freedom.
