Educational Visits

GCSE Geographers took part in their human geography fieldwork trip this half term, investigating economic and environmental change that has taken place in the local area in the past 50 years. Despite particularly cold weather, spirits were high and Year 11 students gathered some great data ready for their Paper 3 examinations.

Careers Fair

On Friday, we hosted our annual careers fair which was attended by a range of local businesses, universities and training providers. Students had the opportunity to meet visitors and ask questions to further inform their future career aspirations.

Oxford University Visit

A number of our Year 10 students recently visited Oxford University as part of their Physics and Materials day. This was a great opportunity for the students, and we were delighted to hear they thoroughly enjoyed the visit.

Movement Evening

We are looking forward to hosting our annual Movement Evening which will take place this week on Tuesday 23, Wednesday 24 and Thursday 25 January.

This is an excellent event which includes a number of local primary schools.

Tickets are available via the following link
