

Wath Academy Enrichment Programme

Term 2

2023–24

Dear Parent/Carer

At Wath Academy, we have a very proud tradition of providing outstanding enrichment opportunities for our students to take part in. Overleaf, you will find a list of activities on offer until the end of Term 2 (Easter holidays) of this academic year. Between this and our Wednesday afternoon enrichment there is hopefully something to cater for everyone's interest.

Students do not need to sign up and can simply turn up at their chosen activity. However, it is important that you check the activity details carefully and ensure that the targeted age range is appropriate for your child. Please note that, following participation in an after-school enrichment activity, it is the responsibility of parents and carers to ensure that their child is able to make their way home safely.

The enrichment programme at Wath Academy provides a range of activities that can be used as part of the Experience Passport. The Experience Passport encourages students to participate in activities that are outside their 'everyday norm' in order to develop a wide range of character strengths. In addition, we believe that students who take part in enrichment activities create memories that last a lifetime and develop character to complement their academic achievements. This is a key part of our curriculum intent and something we feel contributes to the holistic development of your child.

Furthermore, participating in an enrichment activity can be pivotal in maintaining positive mental and physical health. Therefore, we encourage all students to take part in at least one enrichment opportunity from the extensive range on offer.

Yours sincerely
