

PRINCIPAL'S UPDATE

NEWSLETTER – Week 22

Dear Parents/Carers

Academy Awards

We have now started planning this year's Academy Awards. We have secured the Sheffield City Hall once again for this fantastic evening. We would like to provide local businesses with an opportunity to be involved in the event through sponsorship. If you would like further information, please email academyawards@wathacademy.com

Comic Relief

Last week we raised over £800 for Comic Relief. Students competed in their house teams and kept their bike going all day between 9am and 2:50pm. Cumulatively they cycled 1106km, which is the equivalent of cycling from Wath Academy to Lyon in France! The effort and team spirit seen throughout the day was amazing! Well done to everyone who was involved.

Year 11 Online Parents Evening

Year 11 Online Parents evening takes place on Tuesday 26 March. The booking system is open for parents/carers to make appointments via the following link. <https://www.wathacademy.com/parentsevening>

Thank you for your on-going support.

Yours faithfully

Mr Ransome
Principal

Sixth Form Educational Visits

University of Cambridge

Year 12 students spent a day at Homerton College, Cambridge as part of the University of Cambridge HE+ plus programme, which supports students to secure places at the most prestigious universities. Students had an inspiring day of admissions talks, taster lectures and tours of the college campus and city centre.

Sheffield Hallam University

This week, Year 12 and 13 Psychology students visited Sheffield Hallam University to get a taste of university life. They spent the morning in taster lectures exploring how psychology can be applied to crime, specifically geographical profiling and interrogation techniques. In the afternoon, they moved into a lecture theatre for a revision workshop to prepare them for their upcoming exams and trials.

Careers

This week, students in Year 9 visited Magna to attend the 'Get up to Speed with STEM' event. This event gave students the chance to view some of the UK's most exciting science, technology and engineering inventions, and meet the people who design, build and operate them. Students had the opportunity to speak to a host of employers, inventors and education providers about the future of these industries.

East Riding Theatre – Bouncers

Our Year 9 and 10 drama students had a fabulous evening at the theatre when they went to see the hilarious production of Bouncers. They will now take inspiration from the incredibly talented cast and apply it to their own performance work.

Success Stories

This week it is great to share that Jayden Brammer, Max Pattison, Will Bussell and Ollie Black all represented Rotherham Schools Select U13s when visiting the Cliff Training Centre to play against a Manchester United representative team.

Congratulations to Isobel in Year 13 for winning the Herbert Hughes Memorial Fund essay competition for the University of Sheffield! Isobel wrote a letter in Spanish about the difficulties that young people face nowadays. The university commented that Isobel showed a very good command of the Spanish language.

If you would like to share your success stories with us, please email us via the following address: achievement@wathacademy.com

lo que puedes,
y podrás.

Piano Recital

This week we hosted our annual Piano Recital. It was a fantastic event and it was again great to see so many performers.. Thank you to all who attended this event and supported our students. Please see our website for more photographs @adamgallifordphotography.com

50th Anniversary Barlow-Salmons' shield

Yesterday, we were proud to host the 50th anniversary Barlow-Salmons shield football final at the Academy. Congratulations to Wath C of E on their 4-0 win against a spirited Wath Victoria. Well done!!
