# Experience Passport

**The Wath Academy Experience Passport advocates exposure to a wide range of age-appropriate, life-enriching experiences. Trips will be organised by the academy to help you complete the activities in the passport and you can include out of school experiences. The passport ensures that you have experiences outside the 'everyday norm' that will give you the confidence to make brave choices beyond your time at Wath Academy.**

The passport comprises a list of experiences that you should aim to complete by the end of each academic year. They are grouped together and include:

## **Religion and Culture**

Visits to religious landmarks, participation in an unfamiliar religious festival and cultural visits to an opera.

## **Sport and Outdoor**

Physical challenges, outdoor pursuits, climbing a mountain and attending an international sports fixture.

## **Heritage**

Visits to the Houses of Parliament, museums and English Heritage/National Trust sites.

## **Careers and Enterprise**

Creating a company and raising a profit.

## **World and Travel**

Visiting a European capital city.

## **Community**

Charity events, clean-up projects, local projects and Race for Life.

## **Completing the Passport**

You will be expected to show evidence of each experience you complete. The evidence can be as simple as a photo showing you were at a certain location. While the academy will provide a wide range of events tailored to the programme, we are also happy for you to complete tasks alone or with your family. You simply need to bring the evidence into school.

You can gain points for any of the activities in the whole passport, even if they are not in the list for your current year group. Some experiences can be found in more than one year, but points for these experiences would only be awarded once. To celebrate your success, you will receive a badge and certificate showing the amount of points you have achieved every time you pass a multiple of 20 points. Badges and certificates will be awarded in Reward Assemblies. 100 points is a completed passport.
