Dear Parents / Carers

## **“Restart a Heart” House Competition**

We are excited to launch our House initiative “Restart a Heart” in support of the Yorkshire Ambulance Service. This charity provides lifesaving care and training across our region, and we are proud to support their vital work.

This half term, Houses will compete in two ways:

1. To raise the most money for the Yorkshire Ambulance Service.
2. To win the House challenge on the last Friday of this half term, when students will compete at lunchtime on the tennis courts in our Restart a Heart competition.

### **How to Donate:**

1. Via ParentPay (preferred): Please log into ParentPay and select the donation option titled “Restart a Heart – [House Name]” (for example, Restart a Heart – Athens, Restart a Heart – Sparta, etc.). It is important that you choose the correct House when making your donation so that your child’s contribution is counted towards their team in the competition.

2. Cash donations: If you prefer to donate by cash, please send the money in with your child and ask them to hand it in at reception. Make sure the cash is clearly labelled with your child’s name and House. Reception staff will record all cash donations.

Every donation helps support Yorkshire Ambulance Service and the incredible work they do every day.

Thank you for your support.

Yours faithfully,

Mr Meyerhoff
