04 November 2025

Dear Parent/Carer,

Children in Need Event - Rowshow on Friday 14 November

We are excited to announce our upcoming Children in Need fundraising event, **Rowshow**, taking place on **Friday 14 November**. This fun-filled day will see students competing in teams of five, representing their Houses in a friendly rowing competition. The House that rows the furthest distance by the end of the day will be crowned the overall winner!

Last year students managed to row a total distance of 169,506 meters which was the equivalent of 19 Mount Everests. In keeping with Children in Needs 2025 fundraising campaign 'Challenge 25' we aim to row a total distance of 221,200 meters which would be 25 Mount Everests.

To participate, students can sign up by completing the Microsoft Form sent to them by their Head of House via Satchel One. They will then be assigned a 25-minute timeslot to join in and compete. Students will present their timeslot slips to their teachers on the day of the competition so they can be released from lesson to compete. Students will then make their way to the Top Gym within the PE block to compete for their House.

We invite families to support this cause by making donations through [ParentPay](#) or by giving cash donations on the day of the event. Every contribution helps to make a difference for Children in Need.

Thank you for your support and encouragement in making this a successful and impactful day.

Yours faithfully,

Mr D Meyerhoff
Associate Assistant Principal
