

**Wath Academy**

13 January 2022

Dear Parent / Carer,

The government has announced that from January 11<sup>th</sup>, following a positive LFD test, you are no longer required to complete a confirmatory PCR test.

Once a positive LFD test has occurred you should isolate immediately and register the positive result via this link <https://www.gov.uk/report-covid19-result> .

On day 6 and 7 of your isolation, you should complete two further LFD tests. If these are both negative students may return to school following the second negative result. If these tests are still positive, then you should complete the 10 day isolation period.

Yours sincerely

Mr Ransome
